

## Poggio Nicchiaia 2019 Fiore del Borgo

**Vermentino IGT** - 0.75L

### SHORT DESCRIPTION

*Straw yellow, with olfactory notes with citrus scent of wild flowers and notes of yellow peach. It's taste is soft and persistent with a full flavor, round and refreshing. AWARDS: 90 pts Luca Maroni*

### Climate:

The region has a mild Mediterranean climate which is influenced by the currents of the nearby coast. Altitude of the vineyards is about 150 to 180 meters above sea level.

### Soil:

The undulating Pisan hills offer a mixture of marine fossils with a sandy silt clay texture.

### Vinification:

The grapes are picked in the cooler hours of the day and are pressed softly. The tanks are prepared with a bed of dry ice that instantly lowers the temperature of the wort. The temperature is then controlled and increased steadily until the end of fermentation which takes about 30 days. Ageing: Steel tanks at controlled temperatures.

### POGGIO NICCHIAIA

The technologically advanced winery is in Montelopio, a pretty village with a feel of times past, a few kilometres from Peccioli. At the winery, they are passionate about producing wines that offer a modern interpretation of Tuscan traditions, an exquisite evolution in taste, not dictated by trends but by the quest for enduring pleasure.
